**ORDER:**

The Director of Census Operations of A.P in her letter read above has stated that the existing Sample Registration System (SRS) sample frame has been revised based on 2011 Census results and the number of units increased from 375 to 551 in the State.

2. She has further stated that the SRS in India is based on dual record system under which field investigation consists of continuous enumeration of Births and Deaths by resident Part-time Enumerators (PTE) and an independent Half Yearly Survey by Supervisors. The Part-time Enumerators (PTE) are generally School Teachers / Anganwadi Workers (AWW)/ANM/LHV/Asha etc based locally in the unit. There is a requirement of one Part Time Enumerator for each unit, who are to be engaged on monthly Honorarium basis. The Part-time Enumerators (PTE) will be involved during Baseline Survey which is expected to start in January, 2014 and subsequently they will carry out continuous Enumeration in respective Sample Units.

3. She has therefore requested the Government to issue necessary instructions to the concerned allowing the appointment of Anganwadi Workers (AWW)/ANM/LHV/Asha etc as Part Time Enumerators for newly selected SRS sample units by the Census Directorate as was done during 2004.

4. Government after careful examination of the matter hereby accord permission to the Commissioner of Health and Family Welfare for appointment of ANMs, LHVs, ASHAs working under the administrative control of Health, Medical & Family Welfare Department as a part time Enumerators for newly selected SRS sample units by the Census Directorate, A.P.

5. The Commissioner of Health and Family Welfare, A.P. Hyderabad and the Director, Directorate of Census Operations, A.P shall take further necessary action in the matter accordingly.
